## Medi-Cal covers it.

### How do I access dental services?

- 1 You are automatically enrolled in Denti-Cal** if you have a health plan under Medi-Cal.
- 2 Choose a dentist.** Check the list on the back of this flyer for a list of dentists accepting Denti-Cal.
- 3 Make an appointment.** Call the dentist office and schedule an appointment. Make sure to confirm that the dental office is still taking Denti-Cal.
- 4 Go to your appointment.** Take your photo ID and Medi-Cal card to ensure that you are not billed incorrectly for services.
- 5 Your dental provider cannot charge you for services covered under Denti-Cal.** Ask your dental provider if your dental treatment is covered. Denti-Cal will provide up to \$1,800 in covered services per year. Your dental provider must check with Denti-Cal to find out if you have reached \$1,800 limit before treating you. If shown to be medically necessary, dental services can go over the \$1,800 limit.
- 6 Credit cards and payment plans** might be offered at your dental office to help pay for services that are not covered by Denti-Cal. Do not feel rush to sign up, make sure you have information explained to you in your preferred language before signing any documents.
